4. Sidewalk project –
  - a. We want to keep the project moving forward. We have encountered many problems with the county. We need to get with the inspectors and see what they will approve. Chris will re-engage with permitting to get answers to what we can do.
  - b. Option to end on the north and terminate at a loop short of the intersection. We also discussed just doing either side of the bridge to get those approaches done
  - c. Opp Concrete won the previous that we canceled. We will contact them to proceed and just stop short of intersections.
  - d. Motion was unanimously approved to move forward with this plan.
